

2. *Age Limit.*—The maximum age for entry into service will be 28 years.
3. *Departmental Tests.*—In addition to the general educational qualification, the candidates may be required to pass such departmental tests as may be prescribed by Government from time to time.
4. According to needs, candidates for the service will be selected from the lists in the relative order of mention therein of their names.
5. The selected candidates will be required to undergo training at the Central Institute of Co-operation, Madras, for a period of about 10 months before they are placed in independent charge as "Inspectors." Arrangements for the training will be made by the Department and during the period each candidate will be given a stipend of Rs. 20 apart from tuition charges.
6. The candidate appointed will be treated as a Probationer in the unit and will be absorbed as vacancies arise. He will ordinarily start at the bottom of the service in the class and will be on "Probation" for a period of one year.
7. Intending candidates should submit their applications, in duplicate, in the prescribed form together with copies of testimonials, etc., so as to reach the undersigned on or before 13th March 1939.
8. No notice will be taken of applications which are not in response to this notification or are received after the due date or are not in the prescribed form or do not furnish all the particulars required in the various columns of the form.

By Order,
K. THIPPERUDRIAH,
Secretary,
Central Recruitment Board.

MISCELLANEOUS DEPARTMENTS.

SREE NARASIMHARAJA HOSTEL, BANGALORE.

Abstract Notification dated 2nd March 1939.

The attention of the public is hereby invited to the advertisement published on pages 393, 394, 395 and 396, Part VI of the *Mysore Gazette*, dated 23rd February 1939, wherein tenders are called for for the supply of provisions, vegetables, stationery, milk and curds to the Hostel.

The last date for the receipt of tenders is 15th March 1939.

L. A. NARAYANA IYENGAR,
President.

OFFICE OF THE PALACE ENGINEER, PALACE MARAMATH DEPARTMENT, MYSORE.

Notification dated 27th February 1939.

FORM OF ADVERTISEMENT.

Notice is hereby given that sealed tenders will be received at the Office of the Palace Engineer, Palace Maramath Division, up to 3 p.m. on 14th March 1939. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1939.

2. The plans, detailed estimate and conditions may be seen at the Palace Engineer's Office at New Palace Offices between the hours of 11 a.m. and 5 p.m. on working days.

3. (a) The tenderer need only mention the percentage either higher or lower at which he is willing to undertake the work.

(b) He must be prepared to make use of materials available in the Maramath Stores and Timber Yard, the cost thereof being recovered from his bills.

4. Each tender must be accompanied by a deposit of Rs 1,000 (rupees one thousand only) in cash as earnest money and be superscribed "Tender for constructing a permanent portico to the north side of the Palace in front of Drawing Room, Mysore," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Huzur Secretary, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Palace Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Items not provided for in the estimate will be calculated as per schedule rates or as per data worked out during the execution of the work subject to the same deduction of percentage as is agreed to by the contractor in his tender.

10. In matters of all disputes about rates, measurements, quantity and quality of works, etc., and in all other disputes of any kind, the decision of the Palace Engineer will be final and legally binding. Those who do not wish to abide by this condition need not tender.

Abstract estimate for constructing a Permanent Portico to the North side of Palace in front of Drawing Room, Mysore.
